

Information Returns Inc.

August 15, 2024

Hello,

As a customer of Information Returns, your satisfaction has always been my primary concern. As I make decisions about the future, I have kept my customers' interest in mind.

After more than 35 years in business, I am pleased to announce that Greatland Corporation has purchased Information Returns on August 15, 2024.

Greatland specializes in serving the needs of businesses just like yours, providing W-2 & 1099 online filing and paper forms, along with other products that can help your business. I have found the Greatland team to be highly trained and very knowledgeable when it comes to W-2 and 1099 reporting. The quality of their products and service levels, from ordering to support, is exceptional.

Further, Greatland offers the best online W-2, 1099, and 1095 filing programs in the industry, through Yearli.com, which has 70,000 online reviews with an average rating of 4.8 out of 5.0. Yearli offers the most complete federal, state and recipient W-2 and 1099 reporting platform, and I am confident it will meet the needs of your business. Over the next few weeks, you will receive an introductory call directly from your new Account Manager at Greatland to discuss your filing needs for this upcoming tax season.

A conversion program will be available to bring forward your prior year's 1099 and W-2 name, address, and tax id information in a format compatible with Greatland's Yearli.com.

If you need additional information about Greatland, you can call their team at 800-968-1099.

As I head to the next chapter in my life, I'm happy to leave you and your business in good hands. Thank you for your loyalty and great working relationship over the years. I wish you all the best.

Sincerely,

Alfred Dorf Jr.
